

An isometric line drawing of a modular office workstation. The setup includes two rectangular desks arranged at an angle, connected by a central cabinet unit. The cabinet has two tall doors on the left and three open shelves on the right. Two office chairs with casters are positioned at the desks. The entire workstation is enclosed within a frame of vertical and horizontal panels, suggesting a cubicle or partitioned workspace. The drawing is a black and white line art illustration.

		INSTALLATION	

A black and white line drawing of a modern office layout. The office is enclosed by a low wall. On the left side, there is a desk with a chair. At the top, there is another desk with a chair. On the right side, there is a third desk with a chair. A long, low cabinet runs along the bottom wall. In the center, there is a curved desk. The drawing is a simple line art illustration.
