About the CP&F DIB Initiative

In alignment with the overall strategic goals of HMS and Harvard University, CP&F has initiated the development of its own Diversity, Inclusion, and Belonging (DIB) program. Recognizing the importance of supporting the DIB efforts of HU and HMS, CP&F also appreciates its unique position to make meaningful impact within its sphere of influence and views this as an opportunity that is not to be missed. The goal of this initiative is to create a continuously improving program focused on inclusive excellence. In February 2021, Steve Maiorisi, Chief CP&F Officer, conducted a DIB kickoff meeting. Since then, the nine-person Oversight Committee has been established and two co-chairs have been named. The first Oversight Committee meeting occurred in June 2021, and the first subcommittee was established in August. Next steps include the development of the Oversight Committee, the Climate & Engagement Subcommittee, and future subcommittees and focus groups.
